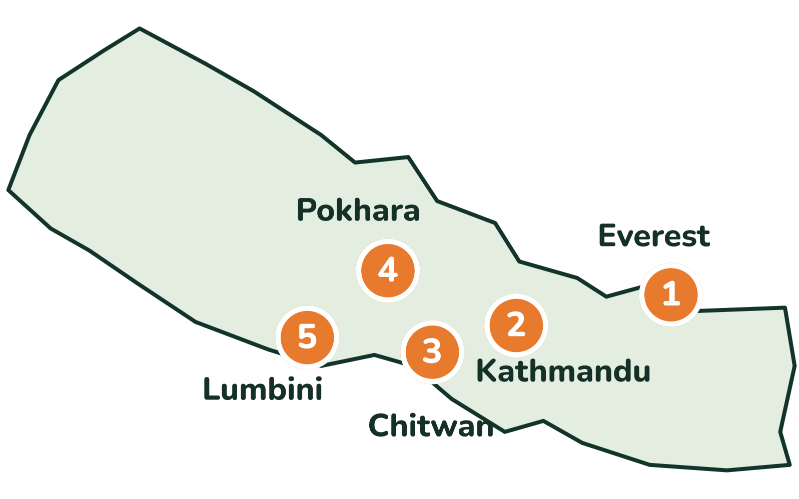
One small country. A whole world inside it.

Nepal is about the size of Arkansas, yet one trip can take you from jungle under 200 m to the foot of Everest. Eight of the world's ten highest mountains are here, and more than 120 languages are spoken in its villages and towns.

8 of the 10 highest peaks

120+ languages

Its own time zone: UTC+5:45



Simplified map. The numbers match the five stories below.

Why Sathi

Every guide is licensed, interviewed in Kathmandu and named before you pay.

Verified local guides
Every trip is run by a certified Nepali operator we know by name, on terms we publish.

One point of contact
Permits, teahouses, transfers and flights are handled for you, by people in the country.

Honest itineraries
Real walking hours, real altitudes, real rest days. No day is padded to make a trip look

Change your mind
Tell us how you like to travel and we will reshape the route around it before you book.

14 trips. One honest list.

From a 4-day temple walk at $342 to a 16-day trek around Manaslu. Each one shows what's in and what's not.

In Nepal, “Sathi” means friend.

Sathi is built around fair pay, fair treatment, and transparent relationships with the local people behind your journey.

Know More About Sathi

Safety, in short

- Acclimatization days are built into the route.
- Your guide checks how you feel every day and can turn you back.
- Insurance with helicopter evacuation is required.
- Weather can delay Lukla flights, so keep two spare days.
